Hot water

Machine features & options

Removable tray

2 cup holder positions

Water tank (optional)

Easy to refill coffee beans and soluble ingredients

The filling process can be done from the top, without opening the door, in a straightforward and simple way.

Easy to clean and maintain

Front removal of liquid waste tray, with no need to open the machine.

Easy to refill the optional water tank

Thanks to its ergonomic design, the 135 fl oz / 4 L water tank can be removed and replaced with little effort. Mains water connection kit available for longer run time.

ACCESSORIES TO SUIT YOUR BUSINESS MODEL

Designed to suit different operational business models by offering a operational myriad of functioning modes and accessories.

Vitro S1 supports a cooperative culture in the office, offering high quality coffee, a premium user experience, and a comprehensive hot drinks offer.

It offers a pleasurable experience with an attractive, simple and functional design.
